1	To attend site on 2.05.2019, called by Walled Garden (Lift for flat 7). Found landing door on ground floor were getting stuck on the threshold which had lifted most properly due to the weight of the electric wheelchair with the resident has to use. Raised slow door to allow closure of slow door, threshold will have to be screwed down or replaced. Unable to open ground floor doors with euro key.	190.00	190.00
